Appendix 2: Authors associated with prominent syndication agents and agencies

Syndicates:
Authors’ Alliance, Authors’ Syndicate, Bacheller’s Newspaper Fiction Syndicate, W. C. Leng, McClure’s Newspaper Syndicate, Northern Newspaper Syndicate, Tillotson’s Fiction Burea, and A. P. Watt

Authors:

Most of these authors are British, but some are American (Boyesen, French, Harris, Harte, Hawthorne, Hay, Jewett, Stillwell, and Twain), Canadian (Allen and Parker), French (Verne and Zola) and Australian (Boothby). I have not found sufficient biographical information to allocate a nationality to Mary H. Tennyson, Frederick Talbot, and Walter Wood.
Sources:

While Colby, Jones, and Turner focus on Tillotson’s authors, Johanningsmeier considers American syndication broadly, and Law explores a number of Tillotson’s competitors, including individual agents and companies.
